Summer 2015 Internships and Language Immersions

- Bush School students are interning or studying language in 21 countries outside of the U.S. including: Argentina, Belgium, Canada, Chile, China, Costa Rica, Cyprus, Germany, Japan, Jordan, Lebanon, Mexico, Morocco, Oman, Peru, Romania, Russia, Singapore, Slovakia, South Korea, and Spain

- For the International Affairs Department, the organizations hosting the most interns are the U.S. Department of State (11 students) and U.S. European Command (4 students). The languages being studied most are Arabic (7 students), Spanish (5 students), Mandarin (3 students), and Russian (3 students).

- For the Public Service & Administration Department, the organizations hosting the most interns are the U.S. Department of Energy (4 students) and the U.S. Congressional Research Service (CRS), City of Bryan, City of College Station, and City of Houston (with 2 students each).

- The Bush School Dean’s Office, Office of the Assistant Dean of Finance & Administration, Office of Career & Student Services, Mosbacher Institute, Scowcroft Institute, and International Affairs and Public Service & Administration Departments gave a combined total of over $214,500 in additional internship and language immersion funding to assist students completing unpaid internships and immersions.
