

Application Instructions - MIP

Welcome! This document provides instructions for admission to graduate study at the Bush School at Texas A&M University. The one-year MIP admits students each fall and spring (and summer if needed) and application materials should be received by the priority deadline of **April 15 and October 15**. Late applications will be processed on a time and space-available basis, so contact us for updates.

APPLICATION PROCESS

The Bush School Admissions Office works with Graduate Admissions Processing at Texas A&M to process all applications for our degrees. This involves a multi-step process where students apply through the Apply Texas system and then upload supporting documents into the TAMU Applicant Information System (AIS) or email them directly to us.

Applicants may check the status of their application through the AIS online status check. Please allow 24-72 hours for processing time. Also, note that Bush School Admissions will email a status update as items are processed into a Bush School file. **Notices from Bush School Admissions are the true status of your file**, as AIS will only reflect four updates: the application, test scores, online letters of recommendation, and transcript processing.

All supporting documents should be requested well in advance of the deadline. The Bush School has created a MIP Application Checklist to help you manage this process; it's found at the end of this document and online under the Admissions Requirements section. The Admissions committee will review apps on a rolling basis.

To avoid confusion or delay in processing your application, please use the same spelling and name order on all correspondence and documents and update AIS and the Bush School of any change of address or name. We look forward to working with you this year!

STEP ONE: TEXAS A&M UNIVERSITY – Application and Fee

Application for Graduate Admission

The Bush School will only accept the online application processed at www.applytexas.org.

Apply Texas Applications

Under the "Major" pull-down menu, select the appropriate application **under the B's for Bush School**:

- **For MIP:** Bush School-International Policy, MIP

You will receive an e-mail from the Office of Admissions within 24-72 hours after submitting your online application (anything after 6 p.m. rolls to the next weekday upload). It includes your Universal Identification Number (UIN). Include the UIN on all of your documents AND use it to claim your NetID so you can log into AIS to check your application status (<http://applicant.tamu.edu>). There you can check what has uploaded into AIS (app, letters, test scores, transcripts). But even if AIS says your file is complete, it may not be, as it only checks four of the six/seven required items. **Bush School Admissions will provide you an OFFICIAL notice of a complete file**. Look for our email updates as we process items, and please be patient.

Application Fee

A nonrefundable application fee of \$65 for U.S. citizens and permanent residents, or \$90 for international applicants, is required to process an application. The fee may be paid by check, money order, or approved credit card (note that credit cards charge a fee of \$1.50 to process). Checks or money orders (U.S. dollars) should be made payable to *Texas A&M University* and should display an agency bank in in the U.S. and have magnetic ink character recognition (MICR)

routing numbers at the bottom of the check. If mailing payments, please send to the address below for Graduate Admissions Processing, not the Bush School, and include your name and UIN.

The Bush School does not waive application fees based on need, but TAMU might for qualified domestic students; you can find more at <http://admissions.tamu.edu/graduate/apply>. The Bush School does have written agreements with several organizations where the Bush School will pay the fee for volunteers from AmeriCorps (Vista, Teach for America, City Year, etc.), Peace Corps, and PPIA. Texas A&M pays for those from the McNair Program. Applicants seeking this waiver should submit the ApplyTexas application without payment and then email bushschoolapplications@tamu.edu for further instructions.

STEP TWO: TAMU and BUSH SCHOOL – Transcripts, SOP, Résumé, Recommendations, Test Scores

Transcripts and Records

Submit official transcripts from all colleges or universities attended. An official statement of the award of the degree or diploma is required for each degree completed. **Note to TAMU students/alumni:** Do NOT submit an official transcript from Texas A&M University; we can download those.

Transcripts can be submitted in these ways:

Unofficial: (*Required at time of application*) Submit transcripts from all colleges or universities attended. *Copies of official transcripts can be uploaded into AIS and will temporarily complete your file for review.*

Official: (*Required at time of enrollment*) Transcripts uploaded into AIS are unofficial. Official documents are required for you to enroll in classes and are sent directly from your registrar (ask for their available options):

- Electronically through PARCHMENT, SPEEDE, eSCRIPT-SAFE, or National Clearing House
- Mailed to Texas A&M Graduate Admissions Processing (use the addresses above) in a sealed envelope with the registrar's signature or stamp across the seal); *include a Document ID Sheet if possible.*

If transcripts or mark-sheets are from a university outside the United States, they are to be signed by the registrar, controller of examinations, or president of the university issuing the document. Official records are to be in the language of instruction, accompanied by official translation in English, if necessary. Translations sent directly from the institution attended or from a recognized translator are considered official. Consolidated and provisional mark-sheets are not considered official. Please ask the registrar to send individual mark-sheets that list grades earned in each term. Photocopies or other duplications such as notarized copies and faxes are not considered official.

REMINDER: Admitted students will not be able to register for classes until *official transcripts and diploma sheets* are received by TAMU Graduate Admissions Processing either by electronic means or via sealed and signed mail.

Statement of Purpose (SOP)

In 750 words or less, tell us about the experiences that have influenced your professional and personal goals. This could include people, events, or places that have affected or inspired you family/faculty/interactions/internships/courses/travel). Essentially, we are looking for where you come from, what you've done that impacted your development, and where you are headed. (*Type in 11 pt font and space 1.5-2"; include your name and UIN on each page, if possible*).

NOTE: Do NOT submit your SOP with your online application at Apply Texas; rather, upload it into AIS after submission (or email it to the Bush School).

Professional Résumé

Provide a current resume (1-2 pages). Consider the following sections:

- **Name and contact information**
- **Education**
 - Undergraduate Institution; include month/year completed (or to complete)
 - Degree earned, with major(s), minor(s)
 - Current overall GPA (you can also add a last 60 hour or major GPA)
 - *List additional undergraduate or graduate degrees and certificates, as necessary*
- **Relevant work/internship experience**
 - List work or internship experiences related to public service, to include government, nonprofits, educational institutions, military service, and other relevant areas
- **International experience**
 - Include study abroad, mission trips, travel, living overseas, and dates completed
- **Skills and Certifications**
 - **Language:** List the language and your current *speaking level* (include beginning, intermediate, advanced, fluent). Optional for reading and writing levels.
 - **Computer (optional):** List relevant software by name.
 - **Clearance:** List any clearances you want to highlight.
- **Leadership, Service, Organizational Memberships, and Honors**
 - List your involvement in any related activities YOU want to highlight. Indicate organization, role you assumed, the dates involved, and the time involved per week/month/semester

Recommendations -

Two recommendations are required. It is strongly recommended that at least one be from someone familiar with your academic work (faculty, advisors) and another from someone familiar with your potential leadership, public service, or work experience (supervisors, mentors, associates). The Letter of Recommendation Form is found online under the Recommendations section (if not working through the online system).

Letters of recommendation can be submitted in these ways (listed in order of preference):

- **Online:** Sent directly to Texas A&M via the Letter of Recommendation (LOR) system
Once you have submitted your Apply Texas application, you receive your UIN via email from Texas A&M (within a few days). Next, access the Howdy portal to log into the Applicant Information System (AIS) and find the LOR system. Follow instructions for entering contact information for recommenders. You can log into AIS to monitor their submission (and send reminders as necessary).
- **Emailed:** Sent to bushschoolapplications@tamu.edu by your recommender
We ask that letters be written on official letterhead and emailed to us as a PDF or Word document, accompanied by the Bush School Recommendation Form.

GRE Test Scores – MPSA required; MIA waives if GPA 3.2 or better

If you have a cumulative GPA of 3.0 or better in a completed bachelor's or graduate/professional degree, the GRE is optional. For those below 3.0, we strongly encourage GRE scores. Test scores (GRE preferred over GMAT) should be sent directly from the Educational Testing Service (ETS) to the Texas A&M University (GRE Code 6003/GMAT Code 7B7-K9-03) and be from a test date within five years of the date the Apply Texas application is submitted.

TOEFL/IELTS Scores (International Applicants)

Texas A&M requires that applicants from non-English speaking countries prove English proficiency (pick your option):

- Score at least 146 on the GRE verbal section (or 22 on GMAT verbal)
- Present a Test of English as a Foreign Language (TOEFL) score of at least 80 ibt (internet) or 550 pbt (paper); the Bush School prefers a 100 ibt or 600 pbt
- Present an Int'l English Language Testing System (IELTS) score of at least 6.0 overall band; we prefer a 7.0 band
- Complete all years of a bachelor's degree or higher at a U.S. accredited university

Further clarification and a list of countries that are exempt from the English proficiency requirements are found on the International Graduate Admissions webpage at <http://admissions/tamu.edu/international/graduate>.

TOEFL scores should be sent directly from the testing service to Texas A&M University (Code 6003). **To report IELTS scores:** TAMU only accepts scores submitted electronically by the IELTS test center; no paper Test Report Forms will be accepted. An institutional code is NOT required. Please contact the test center directly where you took the IELTS test and request that your test scores be sent electronically using the IELTS system to the address below. *We recommend tests be completed by December to meet the January priority deadline.*
