

Summer 2016 Internships and Language Immersions

Bush School students are interning or studying language in 21 countries outside of the U.S. including: Antigua, Germany, Romania, Mexico, Jordan, France, Wales, Belgium, Guatemala, Egypt, Greece, Argentina, Morocco, Russia, Latvia, Taiwan, Italy, Nicaragua, South Korea, Chile, United Kingdom, China, Panama.

For the International Affairs (INTA) Department, the organizations hosting the most interns are U.S. European Command (4 students) and the U.S. Department of State (3 students). The languages being studied most are Arabic (4 students), Russian (4 students), Spanish (3 students), and Mandarin (2 students).

For the Public Service & Administration (PSAA) Department, the organizations hosting the most interns are the Welsh General Assembly – Swansea University (3 students), various departments and state agencies within the Texas A&M University System (8 students), and the Cities of Austin, Bryan, Fort Worth, McAllen, Nashville, and Santa Monica (7 students).

A full list of internship employers and language immersion schools hosting Bush School students this summer is included below:
