- Class of 2019 Bush School graduates were asked to complete a survey to indicate employment and/or enrollment in continuing education. The survey was conducted by the Office of Career & Student Services from graduation in May 2019 to November 2019 (six-months post-graduation) based on professional standards set by the Association of Professional Schools of International Affairs (APSIA) for graduate programs in international affairs across the world.

- Percentages are based on the 78% of graduates (58 of 74 job-seeking graduates) who responded to the survey. Of those responding to our survey, 86% (50 of 58 respondents) were employed within six months of graduation.
