• Class of 2019 Bush School graduates were asked to complete a survey to indicate employment and/or enrollment in continuing education. The survey was conducted by the Office of Career & Student Services from graduation in May 2019 to November 2019 (six-months post-graduation) based on professional standards set by the Network of Schools of Public Policy, Affairs, and Administration (NASPAA), representing graduate programs in public administration and public policy across the country.

• Percentages are based on the 88% of graduates (78 of 83 job-seeking graduates) who responded to the survey. Of those responding to our survey, 89% (65 of 73 respondents) were employed within six months of graduating.
