Welcome! This document provides instructions to apply for graduate admission into the Master of Public Service & Administration with the Bush School at Texas A&M University. The on-campus MPSA degree admits students each fall; application materials should be received preferably by the priority deadline of December 15 for optimal consideration, but no later than the final deadline of February 15. Late applications will be processed on a time and space-available basis. Check our website for updates.

Candidates are interviewed during Interview Conference Weekend (Feb 19-20), with Zoom and Skype interviews conducted earlier for those who cannot attend. Admissions and financial aid decisions are made mid-March.

APPLICATION PROCESS & OVERVIEW

The Bush School Admissions Office works with the Texas A&M Office of Graduate Admission to process applications. Applicants apply through the UniCAS application system, at https://texasam2021 liaisoncas.com/applicant-ux/#/deeplink/programSearch/organization/8718616508746933645, where they will also upload their supporting documents and enter the contact information for at least recommenders. Applicants should also send official transcripts and test scores to Texas A&M. All supporting documents, including transcripts and recommendation letters, should be requested well in advance of the deadline. Incomplete applications will not be considered for admission.

Make sure to use the same spelling and name on all correspondence and documents to avoid confusion or delay in processing your materials. Notify the Bush School of any changes to your address and/or name immediately.

Applicants may continue to check the status of their application in UniCAS. However, the UniCAS application only checks some of the required materials to complete an application, so be sure to check the email address you entered on your application for updates. The Bush School will send email notifications indicating any items still missing, when your file is complete, etc. The Admissions Committee will start reviewing complete applications in January.

LETTERS OF RECOMMENDATION (3)

Three letters of recommendation and evaluations are required. We strongly recommend at least one recommendation be from someone familiar with your academic work (faculty or advisors) and another be from someone familiar with your potential leadership, public service, or work experience (supervisor, mentors, associates).
In UniCAS, applicants are required to enter the contact information for three recommenders. Recommenders do not have to submit their recommendation before you can submit your application. Your recommenders will receive an email from UniCAS with instructions on submitting their letter of recommendation and a brief evaluation of the applicant. The applicant can then log into UniCAS to monitor the status of their recommendations and to send reminders.

**TAMU 3+2 Applicants** and **Continuing TAMU Grad Students** - **OR- if a recommender is unable to submit his/her recommendation via the UniCAS Letters by Liaison Portal**, have you recommenders submit the letter and evaluation using one of the methods listed below:

Texas A&M University requires applicants submit official transcripts from all 4-year colleges/universities attended. An official statement of the degree awarded or diploma is required for each degree earned.

**TAMU Students/Alumni**: Do NOT submit your official transcript from TAMU; we can download those for you.

Transcripts can be submitted as follows:

- **Unofficial – Required when applying**: Copies of transcripts can be used to review your application. Translations sent directly from the institution attended or from a recognized translator are considered official. Consolidated and provisional mark-sheets are NOT considered official. Please ask your registrar to send individual mark-sheets with the grades earned in each term. Photocopies or other duplications such as notarized copies and faxes are not considered official.

OPTIONAL GRE/GMAT TEST SCORES

GRE/GMAT scores are optional for those applying to the MPSA. However, we continue to accept scores for anyone who feels they can complement a strong file or offset concerns such as a low GPA or lack of experience in the field. If submitting scores, we recommend scores be at or above our averages, if possible (in 2020, MPSA GRE avg. was 303).

- **Optional** if you have an overall GPA of 3.2 or better.
- **Encouraged** if you have an overall GPA below 3.2 (if your grades/experience do not reflect your current abilities).

Test scores (GRE preferred over GMAT) should be sent directly from the Education Testing Service (ETS) to Texas A&M University. Test scores must be within five years of the date the UniCAS application is submitted. (GRE Code: 6003 / GMAT Code: 7B7-K9-03)

ENGLISH PROFICIENCY TEST SCORES (for int’l applicants)
