Welcome! This document provides instructions for current Texas A&M undergraduate majors in International Studies and Economics who are applying to the 3+2 MIA program. Applicants are juniors (U3), have worked with their departmental advisor to map out undergrad courses, typically have 66-78 hours completed at the time of application (102 hours minimum required when they start the following fall, and have at least a cumulative GPA of 3.25 for ECON / 3.5 for INTS at the time of enrollment.

Fall 2022 application deadlines:

Priority Funding Application Deadline: December 15, 2021
Final Application Deadline: January 12, 2022

Late applications will be processed on a time and space-available basis. Check our website for updates.

Applications completed by the priority funding deadline of December 15 are considered for optimal funding consideration. Those completed after the priority deadline, but on or before the final deadline, will still receive a competitive Bush School Scholarship. However, nomination-based opportunities may no longer be available.

APPLICATION PROCESS & OVERVIEW

The Bush School Admissions Office works with the applicant’s undergraduate department (Economics or International Studies) to process applications for the Master of International Affairs (MIA) 3+2 program. We admit for fall entry only.

To apply, applicants fill out, upload support materials, and submit the 3+2 MIA Internal Application. Do NOT submit an application in GradCAS.

All supporting documents, including test scores (if applicable) and recommendation letters, must be received by the application deadlines above. Incomplete applications will NOT be considered for admission. Be sure to use the same spelling and name on all correspondence and documents to avoid confusion or delay in processing. Immediately notify the Bush School of any changes to your address and/or name.

Note: The Bush School Admissions Office makes the final determination of a complete file and will notify applicants via email of any items missing and/or when their application is complete. Be sure to monitor the preferred email address you entered on your internal application.

In late January/early February, applicants selected for the interview round in the admissions process are invited to interview during Interview Conference Weekend (Feb 18-19), with alternate (Zoom) interactions available for those who cannot attend. Admissions and Scholarship Committees meet soon after, and applicants are notified of admissions and funding decisions by mid-March. Applicants have until April 15 to accept or decline their offer.

INTERNAL APPLICATION

Texas A&M juniors submit the 3+2 MIA Internal Application, which requires them to fill out basic information and upload a résumé, personal statement, international experience essay, and GRE/GMAT scores (if desired). Three letters of recommendations are also required, but are submitted by your recommenders via email (explained in the Recommendations section below). There is no application fee.
RÉSUMÉ

Applicants upload a current résumé (max of two pages) that includes activities after high school to their internal application. A Résumé Template is available for reference:

- **Name and Contact Information**
- **Education**
  - Undergraduate Institution; include month/year completed (or to complete)
  - Degree earned, with major(s), minor(s)
  - Cumulative GPA on a 4.0 scale *(if it helps, consider adding a last 60 hour or major GPA)*
  - List any additional bachelor/master/PhD degrees and certificates you will complete or are in-progress to complete
  - Academic honors and awards
- **Work/Internship Experience**
  - List all professional work or internship experiences (full-time, part-time and internships)
  - Include military services and duties
- **International Experience** *(if applicable)*
- **Related/Highlighted Coursework** *(optional)*
- **Applied Class Projects/Activities** *(optional)*
- **Skills and Certifications**
  - Language: List the language and current speaking level (beginner, intermediate, advanced, fluent). Optional for reading, writing levels
  - Computer: List relevant software by name
  - Security Clearance: Highlight any relevant clearances
- **Leadership, Service, Organizations, and Honors**
  - Indicate the organization, position/role assumed, the duration/dates involved, and the time involved per week/month/semester

PERSONAL STATEMENT

Applicants upload their personal statement to the internal application. Statements should be typed in 11 pt font, spaced 1.5", and answer the following prompt. Include your name, the title “Personal Statement”, and page number on each page.

**Prompt:** In 750 words or less, please address the following topics in your personal statement:

- Your personal and professional goals for a career in international affairs,
- What (including the people, places, internships, or events) inspired you to pursue a career in international affairs,
- How obtaining the MIA degree from the Bush School will help you achieve your goals, and
- What value you bring to the program (including knowledge gained from meaningful experiences, education, or jobs you have had in the past).

INTERNATIONAL EXPERIENCE ESSAY

Applicants upload their international experience essay to their internal application. Essays should be typed in 11 pt font, spaced 1.5", and answer the following prompt. Include your name, the title “International Experience Essay”, and page number on each page.

**Prompt:** In 750 words or less, tell us about the experiences that have influenced your interest in international affairs. We recognize that your experiences and opportunities may vary substantially from others, but we...
are looking for aspects of study abroad, living abroad, influential courses or readings, language interests/abilities, international news or events, cultural interactions, and more. Some repetition may occur from your statement, but this essay should include new material.

**RECOMMENDATIONS (3)**

Three letters of recommendation with evaluation are required and must be received by the application deadline. We prefer letters be from an academic reference, particularly from a course instructor who can attest to an applicant’s capability to pursue graduate school. However, we can accept a professional reference who can speak to the applicant’s leadership; character; public service, military, or work experience and can provide specific anecdotes as to why the applicant is qualified for graduate school. Applications with fewer than three recommendations will NOT be reviewed for admission.

To request a recommendation, applicants should fill out the top portion of the Recommendation Form with their information and send to their recommenders with instructions to do the following:

1. Write a letter of recommendation (preferably written on official letterhead) and
2. Fill out the bottom ranking portion of the recommendation form.

When finished, the recommender should email both the recommendation form and letter of recommendation to the Bush School Admissions office at bushschoolapplications@tamu.edu. We will not accept recommendations submitted from an applicant; recommendations must be emailed directly from the recommender.

**TRANSCRIPTS**

We have access to Texas A&M student records and will download a current transcript for 3+2 applicants.

**GRE/GMAT (optional)**

The MIA requires applicants with a cumulative GPA below 3.2 to submit GRE/GMAT scores. However, since 3+2 applicants must have cumulative GPAs above 3.2 (ECON = minimum 3.25; INTS = minimum 3.5), scores are optional.

However, we encourage scores for applicants who feel they can complement a strong file or offset concerns such as a low GPA or lack of experience in the field. We recommend scores be near or above our 308 average. We prefer the GRE over GMAT.

Applicants who decide to submit test scores should upload the unofficial Test Score Report to the internal application. Scores must be within five years of the date the application is submitted.

(GRE Code: 6003 / GMAT Code: 7B7-K9-57)
