*Final Application Deadline: **January 11, 2023***

*Late applications are processed on a time and space-available basis. Check our website for updates.*

However, nomination-based opportunities may no longer be available.

## APPLICATION PROCESS & OVERVIEW

The Bush School Admissions Office works with the Office of Graduate Admissions at Texas A&M University to process applications for the **on-campus Master of Public Service & Administration (MPSA)**.

Applicants\* apply by uploading all supporting documents, requesting three recommendations, and submitting an application through the [GradCAS](#) application system. \*Continuing Texas A&M graduate students and TAMU 3+2 applicants **DO NOT** submit an application in GradCAS; see details below.

All supporting documents, including test scores (if applicable) and recommendations, must be received by the application deadlines above. **Incomplete applications will NOT be considered for admission.** Use the same spelling and name on all correspondence and documents to avoid confusion or delay in processing. Immediately notify the Bush School of any changes to your address and/or name.

**Note:** *The status of your application in GradCAS is NOT accurate, as the GradCAS system only checks the status of some of the required materials for completing an application. **The Bush School Admissions Office will notify applicants by email of any missing items and/or when their application is complete using the email address on their application.***

In late January/early February, applicants selected for the interview round in the admissions process are invited to interview during Interview Conference Weekend (Feb 17-18, 2023), with alternate (Zoom) interactions available for those who cannot attend. Admissions and Scholarship Committees meet soon after, and applicants are notified of admission and scholarship decisions by mid-March. Applicants have until April 15 to accept or decline their offer.

## RECOMMENDATIONS (3)

Three recommendations (consisting of a letter and evaluation) are required and must be received by the application deadline. Applications with fewer than three recommendations will not be considered for admission.

Recommendations can be from:

- (*preferred*) a higher education academic reference, particularly from a course instructor who can attest to an applicant's capability to pursue graduate school.
- a professional references as needed, particularly for those who graduated several years prior to applying. Professional references can speak to the applicant's leadership; character; public service, military, or work experience, but should provide specific anecdotes as to why the applicant is qualified for graduate school.

Once you choose your recommenders, be sure to inform them about the process and that they will be completing their recommendation electronically\*. We recommend you ask for their preferred email address and advise them to monitor that inbox for your recommendation request (which will come from [tamusupport@liaisoncas.com](mailto:tamusupport@liaisoncas.com)), including any junk or spam folders.

### REQUESTING RECOMMENDATIONS IN GRADCAS\*:

Navigate to the *Program Materials* quadrant → *Recommendations* tab. Click on the "+Request Letter of Reference and Likert Scale Recommendation" hyperlink. Enter the following:

- **Name and email of your recommender**
- **Personal message/note:** Enter anything you feel is necessary for the recommender to know. The note you enter will display in the body of the email sent to the recommender.
- **Due Date:** Enter a due date of at least one week prior to the application deadline; this deadline will display in the email sent to your recommender.
- **Waiver of Recommendation:**
  - Selecting 'Yes' lets the recommender know you will not ask for a copy of their recommendation. This does NOT give you access to their recommendation in GradCAS. It simply means you've let your recommender know you might ask them for a copy.
  - Selecting 'No' lets the recommender know you may ask them to send you a copy of their recommendation at any time.
- **Permission to Contact Recommender:** Checking this box gives the system permission to send an automated email to your recommender with instructions for submitting their recommendation. *This does not mean the Bush School will email your recommender instructions. You are responsible for ensuring your recommender submits their recommendation by the deadline.*
- **Permission for Schools to Contact Recommender:** Check that you give permission for us to contact your recommender to verify any information and/or ask for further clarification on their recommendation, if needed.

Press the 'Save This Recommendation Request' button, which will send an automated email with instructions to your recommender. You can submit your application *before or after* all of your recommendations are received. However, an application must be submitted and all recommendations must be received by the application deadline.

- ❖ **To monitor the status of your recommendations:** Log back into your application and navigate to the *Program Materials* quadrant → *Recommendations* tab.
- ❖ **To resend a recommendation request:** Press the 'Edit' icon' next to the recommender, make any sort of change to the record, and press the 'Resend Recommendation Request' button.

**\*Continuing TAMU Grad Students:** Fill out the top portion of the [Recommendation Form](#). Send to your recommender with instructions for them to fill out the rest of the form, write your letter of recommendation, and send both to the Bush School Admissions Office ([bushschoolapplications@tamu.edu](mailto:bushschoolapplications@tamu.edu)) by the application deadline. Recommenders must submit to Bush School Admissions directly; recommendations emailed by the applicant are not accepted.

### **TRANSCRIPTS** (from all 4-year colleges attended)

In the *Academic History* quadrant → *Colleges Attended* section of your GradCAS application, enter all of the colleges you've attended. Then, upload a *copy* of your official transcript from all *4-year colleges* you've attended by clicking on the 'Upload' link next to the college(s) you just added.

You will be asked to enter every college/university attended, but you are only required to upload transcripts for the 4-year colleges/universities you attended. *Transcripts from junior or community colleges are not needed.* For each degree earned, the corresponding transcript must indicate the name of the degree and date it was awarded.

- **Texas A&M Current or Former Students:** Please upload a copy of the Texas A&M transcript to GradCAS.
- **International Transcripts:** For colleges not located in the United States, save the transcript and diploma (or degree certificate) in their native language along with an English translation for both (if applicable) into one document per college, then upload to your application.
  - **For colleges in China:** Transcripts must be verified by the China Higher Education Student Information and Career Center (CHESICC) and degree certificates verified by the China Academic Degrees and Graduate Education Development Center (CDGDC). Include both verifications with your transcript, degree certificate, and English translation in one document per college when uploading to your application.

---

**\*\*OFFICIAL TRANSCRIPTS REQUIRED ONLY UPON ADMISSION\*\***

---

**Official transcripts should only be submitted if admitted into the program. Admitted students will have a registration hold placed on their account and will not be able to register for courses until official transcripts from all 4-year colleges/universities attended are received and processed by the Texas A&M Office of Graduate Admissions.** Registration typically opens in mid-April, so it is imperative for an admitted student to request official transcripts be sent immediately upon admission.

#### **HOW TO SUBMIT OFFICIAL TRANSCRIPTS:**

For transcripts to be considered official, they must be sent directly from the university/college to Texas A&M's Office of Graduate Admissions (*NOT the Bush School*) in one of the following ways:

**Texas A&M (College Station, Galveston, or Qatar) Current or Former Students:** DO NOT submit your official Texas A&M transcript, or any other transcript you may have already sent to Texas A&M for your previous program.

**GRE/GMAT Scores (optional)**

Using the cumulative GPA (out of 4.0) as listed on the transcript issuing the degree (bachelor, master, PhD), GRE/GMAT scores are:

- **Optional** for those with a cumulative GPA of 3.2 or better.
- **Strongly encouraged** for those with a cumulative GPA below 3.2 OR if grades/experience do not reflect current abilities.
- **Encouraged** for those who feel scores can complement a strong file or offset concerns such as a low GPA or lack of experience in the field.

While the MPSA program does NOT require applicants to submit GRE scores, many still do for reasons stated above. Applicants weighing the decision to submit scores should consider their testing ability, time to study, and whether scores will help or hinder their application (our average GRE score is a 304). We prefer the GRE test over GMAT. Scores must be within five years of the date the GradCAS application is submitted.

**If you wish to provide GRE/GMAT scores, upload a copy of your Test Score Report to the *Program Materials* quadrant → *Documents* tab of the application in GradCAS.**

**\*\*OFFICIAL GRE/GMAT SCORES ARE ONLY NEEDED FOR INTERNATIONAL APPLICANTS who wish to provide Proof of English Proficiency via their GRE/GMAT score. See instructions below for submitting official scores.\*\***

## PROOF OF ENGLISH PROFICIENCY *(for citizens from non-English speaking countries)*

Official English language proficiency (ELP) test scores are required for most international applicants. Citizens of certain English speaking countries are exempt from this requirement. Refer to the list on the [TAMU International Graduate Admissions website](#). If your country is not on the exempted list of countries, you must provide proof of English proficiency in one of the following ways:

- ✓ **GRE:** Verbal Score of 146 or above (or 22 on GMAT Verbal) from a test date within five years of applying.
- ✓ **TOEFL:** i-BT score of 80 or above from a test date within two years of applying; *the Bush School prefers a 100 i-BT*. MyBest TOEFL Scores not accepted.
- ✓ **IELTS:** Overall band score of 6.0 or higher from a test date within two years of applying; *the Bush School prefers an overall band score of at least 7.0*.
- ✓ **Alternative Verification:** Complete all four years of a bachelor's degree or higher (masters is typically two years) at an accredited university located in the United States.

### **If providing test scores as proof of English proficiency:**

Applicants are advised to test at least two months prior to the application deadline. Test scores can take anywhere from two to six weeks to be processed, depending on the test. Applications missing the required proof of English proficiency will not be reviewed or considered for admission.

- Upload a copy of your Test Score Report to your GradCAS application in the *Program Materials* quadrant → *Documents* tab.
- **Report official test scores to Texas A&M University (College Station/Galveston):**
  - **GRE:** Use code 6003
  - **GMAT:** Use code 7B7-K9-57
  - **TOEFL Scores** should be sent directly from the testing service to Texas A&M University (Code 6003).
  - **IELTS Scores** should be submitted electronically from the IELTS test center to Texas A&M University (College Station and Galveston). An institution code is NOT required. Instead, use the address listed below.
